AMENDMENT

Dear Sir:

This Amendment is responsive to the Office Action dated October 2, 2001 and is being filed within the three month shortened statutory period set for the response in the office action. Please amend the application as follows:

In the Claims

Please cancel claim 19.

Please amend claim 1 as follows:

1. (Thrice Amended) A method for mounting interior vehicle trim parts to reduce noise in which a first trim part is supported adjacent a second trim part and in which a bead of buffer material is provided between the first and second trim parts to reduce noises produced by contact and relative motion between the first and second trim parts the method including the steps of:
